

CERTIFICATE OF APPRECIATION
is hereby presented to

Robert J. Rodino

Ph.D.

In recognition of your invaluable expertise and research on the Los Angeles economy and for your analysis of economic development strategies, including most notably, your authorship of the RODINO REPORT, which explained how the expansion of the big-box grocery stores could eliminate good jobs and increase blight, which ultimately led to the development of the Los Angeles Superstores Ordinance.

April 21, 2009

ERIC GARCETTI
President, L.A. City Council

ED P. REYES
Councilmember 1st District
